

thermo_pixel_vector
::add_pixel

```
graph LR; A[thermo_pixel_vector::add_pixel] --> B[thermo_pixel::get_temperature]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'thermo_pixel_vector' on the top line and '::add_pixel' on the bottom line. The right box is white with a black border and contains the text 'thermo_pixel::get_temperature'. A dark blue arrow points from the right side of the left box to the left side of the right box.

thermo_pixel::get_temperature
